

# 2015 Evaluation Workshop Series

## WORKSHOP 1

### - Building evaluation into health program planning -

In collaboration with Healthway, The UWA Health Promotion Evaluation Unit is hosting a series of evaluation workshops in 2015.

Whether you are planning your first program and evaluation, or you are looking for a refresher, this first interactive workshop offers participants practical planning and evaluation skills.

By the end of the workshop participants will have gained skills in how to construct a health program plan, and an appropriate evaluation framework.

We have 30 places available for this workshop. To book your spot, please email [hpeu-sseh@uwa.edu.au](mailto:hpeu-sseh@uwa.edu.au) For more information about the Health Promotion Evaluation Unit, please visit our website at [www.hpeu.com.au](http://www.hpeu.com.au) or phone us on 08 6488 4654.
